De La Salle Middle School, founded in 2001, offers a quality private education for at-risk 6th through 8th grade boys and girls who live in a North St. Louis neighborhood of great economic and social need. Following the example of St. John Baptist de la Salle, the staff works to empower students academically, socially and spiritually, so they can transform their lives and their community. The Poker Tournament benefits our Support-A-Star Scholarship Program which provides financial aid so that children who would best benefit from a challenging, caring education can attend De La Salle. De La Salle is a 501(c)(3) tax exempt entity.
